## DEFINITION of 'PERSONAL INFORMATION'

'Personal information' means recorded information about an identifiable individual, including:

- a) The individual's name,
- b) The individual's home address, or home telephone number, facsimile or e-mail number,
- c) Information about the individual's age, sex, sexual orientation, marital or family status,
- d) Information about the individual's ancestry, race, colour, nationality, or national or ethnic origin,
- e) Information about the individual's religion or creed, or religious belief, association or activity,
- f) Personal health information about the individual:

'Personal health information' means 'recorded information' about an identifiable individual that relates to:

- i. the individual's health or 'health care' history, including genetic information about the individual,
  - ii. the provision of health care to the individual, or
  - iii. payment for health care provided to the individual,
- and includes
- i. the 'PHIN' and any other identifying number, symbol or particular assigned to
  - ii. an individual, and
  - iii. any identifying information about the individual that is collected in the course of, and is incidental to, the provision of health care or payment for health care.

'Health care' means any care, service or procedure:

- i. provided to diagnose, treat or maintain an individual's physical or mental condition,
  - ii. provided to prevent disease or injury or promote health, or
  - iii. that affects the structure or a function of the body,
- and includes the sale or dispensing of a drug, device, equipment or other item pursuant to a prescription.

- g) The individual's blood type, finger prints, or hereditary characteristics,
- h) Information about the individual's political belief, association or activity,
- i) Information about the individual's education, employment or occupation, or educational, employment or occupational history,
- j) Information about the individual's source of income or financial circumstances, activities or history,
- k) Information about the individual's criminal history, including regulatory offences,
- l) The individual's own personal views or opinions, except if they are about another person,
- m) The views or opinions expressed about the individual by another person, and
- n) An identifying number, symbol or other particular assigned to the individual.

• Clauses (a) to (n) of the definition 'personal information' list examples of personal information. This list is not exhaustive, as the word 'including' is used; clauses (a) to (n) do not set out the only information which is personal information (Provincial Government, Freedom of Information and Protection of Privacy Act, Resource Manual, 2002).
